

# MaskDesign

CREATING HIGHLY DETAILED PAINT MASKING  
FOR STAR TREK STARSHIPS AND MORE...

## Why Choose MaskDesign?

- We ensure all our masks fit precisely
- All our kits are evolving constantly so you always have the most accurate kit on the market
- Our products are designed and cut in-house so we are never out of stock

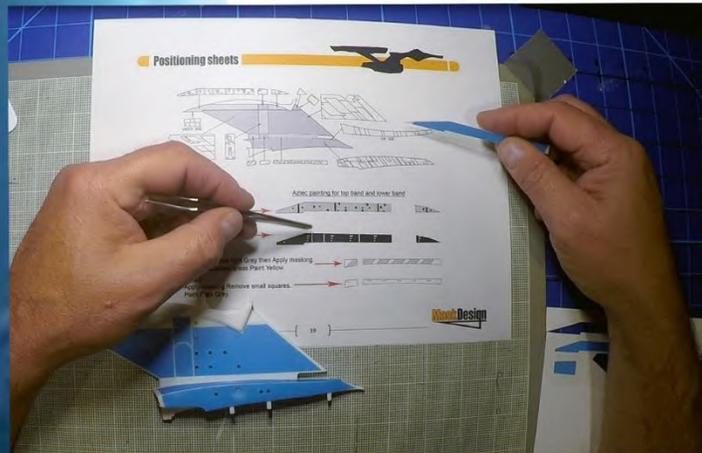

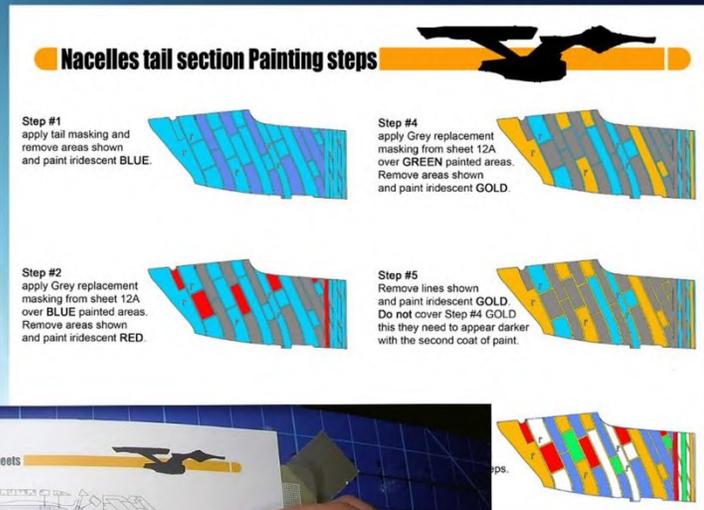

*“to boldly go where no other mask kit has gone before”*

# INCLUDED IN ALL OF OUR KITS:

- on-line step-by-step videos
- highest quality vinyls used
- full instruction guide (PDF)
- one on one help via email or
- discounts on multiple orders

Click here

All kits are engineered using 3 different types of vinyl. Each type is area specific based on which part of the model you are working on, makes things a lot easier for the first timer.

# MaskDesign

CONTINUE TO VIEW OUR FLEET LINE UP.....

# THE FLAGSHIP OF OUR FLEET IS THE 1/350 SCALE NCC-1701 REFIT (FULL AND BASE KIT)

ARGUABLY ONE OF THE MOST BEAUTIFUL STARSHIPS EVER CREATED

from the unmistakable  
nacelle brick pattern

to the panel plating of the  
secondary hull and neck

and the unforgettable aztec pattern  
found in the saucer sections

exact replications as shown  
in the pictures

**Mask Design**
